Item 2290

Reconsignment or Return of LTL - After Loaded for Delivery

Section 01

Effective 3-14-2022

When an LTL shipment is reconsigned after loaded for delivery and the driver is able to deliver to the reconsignment address while on the current delivery route, then the following rules will apply:

Charge Per Shipment: \$75.00 fee plus \$3.50 per mile plus applicable fuel surcharge to new delivery location (reference Item 3000).

Requests for reconsignment must be guaranteed by the paying party.

NOTE A: For the purposes of this item, an LTL shipment is one subject to a minimum rate of less than 1,500 cubes, or a rate named as "LTL".
